

***“The doctors and nurses at St. Marys Memorial Hospital have provided several generations of our family with wonderful care throughout the years.”***

***My mother was made to feel especially respected by everyone associated with her care during her last few days with us.***

***Candace and I are happy to, in a small way, help support such a fine institution.”***

## WHY LEGACY GIVING MATTERS

A legacy gift is a meaningful way to give back to the community and care for the people you love.

By including St. Marys Healthcare Foundation in your estate plans, you can help support local healthcare, provide essential medical equipment and ensure quality care for future generations.

**Your values. Your legacy. A lasting impact.**

***"We believe a legacy gift of any size is a really satisfying way to ensure our hospital's vital services continue to be available for those we love."***

**— Anonymous Donor**

Local healthcare touches all of us. It's there when our children need care, when our parents grow older and when someone we love needs support.

## MAKE A DIFFERENCE TODAY. LEAVE A LEGACY FOR TOMORROW.

**Your generosity today can help shape the future of local healthcare.**

There are several ways to leave a lasting legacy gift to St. Marys Healthcare Foundation. Speak with your lawyer, accountant or financial advisor to explore the option that best suits your wishes and circumstances.
